

Vineyard USA Position On: Women in Leadership

In response to the message of the Kingdom the leadership of the Vineyard movement will encourage, train, and empower women in all levels of leadership, both local and trans-local. The movement as a whole welcomes the participation of women in leadership in all areas of ministry.

We also recognize and understand that some Vineyard pastors have a different understanding of the scriptures. Each local church retains the right to make its own decisions regarding the ordination and appointment of senior pastors.
